= officer in my Regt

Services organized in April 1861 that for meritorious conduct he was promoted to 1st Lt. Captain. I know him to be a good & efficient officer. He received his wound while in the discharge of his duties at the battle of Shiloh Tenn Apr 1/62. He was also engaged at the battle of Stone River. Within a short time he acquired himself with marked bravery his brave character as to good behavior, intelligence, sobriety, & ability to his duties show that he is an officer of the ordinary quality. I think he is truly deserving of the promotion applied for.

I heartily endorse the above statement of Capt. Long and take pleasure in adding my personal recommendation. I have known Capt. Long during 27 years of service as a faithful & zealous officer. He has been severely suffering from the wound received at Shiloh and I think the granting of the favor asked of would be but a just recognition of his long and faithful service.

IX.

....., Co E, 1 Reg't Kentucky Infantry.

Appears on **Returns** as follows:

July 1st. The weather was
fine & the water was
calm. We went to the
beach & took a walk
along the shore. The
beach was very clean
& the water was very
clear. We saw many
fish & some of them
were very large. We
also saw many birds
flying over the water.
